### **A Note from our Summer Youth Intern**

Thank you for once again allowing me to share in the lives of the youth. It has been a growing experience for me that I have greatly enjoyed. Thank you for all of your prayers and support! It is good to know that the youth are in the care of a good church family. I have been blessed throughout the years here and this year has been no exception. Once again I say "thank you."

Dear Church Family,

As many of you know, Stacy Sanderson suffered a stroke on July 23<sup>rd</sup>. She is still at Wake Med working hard in rehab and making strides to improve every day. Many of you have expressed a desire to help the family in anyway possible. Now that they are working daily on rehab for Stacy, her family will be looking at how to meet the needs of the girls when school begins and assist the family when Stacy returns home.

We will be talking with Lee, Stacy's husband, and Kristen, Stacy's sister, in the near future to help determine a schedule and provide assistance. So that we can be ready to help with the schedule, I'd like to have a list of volunteers and tasks ready to offer our assistance.

If you would like to help, please call or email me and let me know what you can do. Just a few things they may need help with:

- Taking the girls to school- approximately 8 a.m. (Delaney is at Meadow Lane/Kyla is at Greenwood)
- Picking the girls up from school- approximately 2:30 p.m.
- Providing meals for the family
- Taking Stacy to therapy and/or doctor (uncertain at this time whether it will be in Goldsboro and/or Raleigh)
- Sitting with Stacy...this may include some light housework and/or laundry while she is improving. (Stacy will not be home until she can do most things on her own; however, she will be required to have someone with her at all times. Initially, the family will be doing this, but there will come a time they will need to have volunteers help. If you are able to assist please advise)
- Taking the girls to activities (occasional) church, dance, school
- Lawn Maintenance – **DONE** – Helping Hands Ministry and Opportunities Sunday School Class
- Available to do whatever!

Unashamedly, I've told Stacy's family to please excuse us, but when it comes to helping our church family we might be a bit pushy. I, like many of you, have wanted to do something- here is our chance. I can't wait until Stacy is back to herself and we are able to see and hear her in the FBC sanctuary singing praises to God for the wonders He has done.
